

# Go Solar Today!

## RV Solar Power Solutions

### Overlander Solar Charging Kit 170Watt

Enjoy the peace and quiet without a generator, and no longer worry about draining your batteries while away from grid power. The Go Power Overlander is the largest single 12 volt solar charging kit on the market with 170 watts and 8.9 amps of power charging capability. This powerful battery charger is great for maintaining the charge of all types of batteries and is ideal for extended RVing or dry-camping

Enhance your solar system with the Go Power AGM maintenance free deep cycle batteries, that are designed especially for solar. Our AGM's come with an unmatched 5 year warranty when you upgrade.

Don't let this opportunity get away, let El Toro RV pull the plug for you and give you the freedom you deserve to explore. Call today & schedule your appointment @ 949-830-1996.
